

Lane Gender Task Force

A Lane County transgender and gendervariant activist/advocacy group

LaneGenderTaskForce@gmail.com

We are a grassroots social justice group who understand that racism, classism, xenophobia, ableism, etc. are interlocked with gender identity. We strive for an intersectional movement. Currently we are...

- * Advising organizations on how services can be made accessible to gender variant people
- * Providing workshops on trans and gender variant issues
- * Working with state and national lobby and campaign groups to secure trans-friendly laws and legislators
- * Facilitating resource networks and support for gender variant people in our area
- * Looking for interested trans, genderqueer, and gender variant individuals who want to organize for equality and human dignity!
